**Students’ Right to Privacy**
The Family Educational Rights and Privacy Act of 1974 (Buckley Amendment) was designed to protect the privacy of educational records, to establish the right of students to inspect and review their educational records in all offices, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings.

An OSU student has the right to:

1. Inspect and review information contained in his or her educational records within 45 days of the day that the University receives a written request from the student.
2. Challenge the contents of the educational record.
3. Have a hearing if the outcome of a challenge is unsatisfactory.
4. Submit an explanatory statement for inclusion in the educational record, if the outcome of the hearing is unsatisfactory.
5. Secure a copy of the institutional policy, which includes the location of all educational records.
6. Prevent disclosure, with certain exceptions, of personally identifiable information from the educational record.
7. File a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-5901.

**Location of Records.** Several offices share responsibility for maintaining and releasing information pertaining to student education records. These include, but are not restricted to: a) the Office of the Registrar for academic records, b) the Office of Student Conduct Education and Administration for disciplinary records, c) the Office of the Bursar for billing and payment records, d) the Office of Scholarships and Financial Aid for scholarship and financial aid records, e) the Human Resources office and Career Services office for employment/placement records, and f) the Communications Service office for directory information.

**Registration and Enrollment**

1. Find your expected enrollment/registration date for the upcoming semester in this enrollment guide.
2. Schedule a meeting with your academic advisor to plan your class schedule. You won’t be able to enroll until your advisor clears you for registration. Contact your advisor early, as advising appointments fill quickly.
3. From Student Self Service, check **Student Profile** to see if you are eligible to register for classes. This site will notify you of factors that may prevent you from being eligible to register, such as enrollment status, academic standing and holds.
4. Accessing **Prepare for Registration** (under Registration) will allow you to view registration permits/overrides that have been granted to you.
5. You can plan your schedule in Self Service using **Plan Ahead** under the Registration menu. Plans created here will be available when you register for classes (on the Plans tab).
6. If you register in a class with variable credit hours, it will default to the lowest number of credit hours. Use the **Schedule and Options** tab of Registration to change credit hours in a variable credit class. Detailed instructions can be found at registrar.okstate.edu/registration_enrollment/osu_registration_system.html#change.
7. Find more details on Self Service Registration at registrar.okstate.edu/registration_enrollment/osu_registration_system.html.
8. Find instructions for viewing your class schedule in various ways at registrar.okstate.edu/banner_students/banner_view_my_class_schedule_students.html.

**Notice to first-semester students:** Credit earned by examination (such as AP or CLEP) will be recorded on a student’s OSU transcript with a neutral grade of “CBE-P” (Pass) if the student earns the equivalent of a “C” or better on the examination. No grade is recorded if the student fails the exam.

**Withholding Disclosure of Information.**
Currently enrolled students may withhold disclosure of directory information. A student may file a written request with the Office of the Registrar to not release personally identifiable information, including directory information. Such requests will be honored until revoked by the student. The University assumes that failure on the part of any student to specifically request the withholding of directory information indicates individual approval for disclosure.

**Access to Records.**
Students may inspect and review their educational records by making a written request to the office that maintains the records (see Location of Records below). No non-directory information regarding students’ educational records may be disclosed to anyone without written consent of students, except for selected purposes as authorized by federal law, such as to “school officials” who have a “legitimate educational interest” in the student, upon request to another institution to which a student seeks or intends to enroll or is already enrolled if the disclosure is related to the student’s enrollment or transfer, and in response to a lawfully issued court order or subpoena.

**Parental Access to Records.**
At the postsecondary level, parents have no inherent rights to inspect their son’s or daughter’s educational records. Information regarding educational records is best obtained by direct communication between the parent and the student. Students may consent to release their educational records to parents, legal guardians, or other individuals by completing the appropriate form in the Office of the Registrar. Such consent should be given in an un coercive environment.

Parents of a dependent student may challenge denial of access to educational records by producing the most current copy of Internal Revenue Form 1040.

**Access to Financial Aid Records.**
Currently enrolled students may withhold disclosure of financial aid records. A student may file a written request with the Financial Aid Office to withhold disclosure of financial aid records. Such requests will be honored until revoked by the student. The University assumes that failure on the part of any student to specifically request the withholding of financial aid information indicates individual approval for disclosure.

**Definition.**
“Educational Record” refers to those records which are directly related to a student and are maintained by an educational institution. “Directory Information” includes: student’s name; local and permanent address or hometown; telephone number; year of birth; major field of study; weight and height of student participating in officially recognized sports; dates of attendance at Oklahoma State University; degrees, honors, and awards granted or received and dates granted or received; academic classification such as freshman, sophomore, junior, senior, etc.; institutional electronic mail address; most recent educational institution previously attended; dissertation or thesis title; advisor or thesis/dissertation advisor; participation in officially recognized organizations, activities, and sports; parents’ names and addresses (city and state only).

“School official” is defined as an individual currently serving as a member of the Oklahoma State University Board of Regents or classified as faculty, administrative or professional, and staff such school officials supervise; the President and CEO of the Alumni Association and President and CEO of the Oklahoma State University Foundation and the staff they supervise; the National Student Clearinghouse; and contractors, volunteers, and other non-employees performing institutional functions as school officials with legitimate educational interests.

“Legitimate educational interest” is defined as an interest which results from the duties officially assigned to a school official and which are related to such a school official’s responsibilities for facilitating the student’s development. School officials may have legitimate educational interests both in students who are currently enrolled and in those no longer enrolled.

**Registration Services open Monday-Thursday, 8 a.m. - 6 p.m. Friday, 8 a.m. - 5 p.m.**
