1. Find your expected enrollment/registration date for the upcoming semester in this enrollment guide.

3. From Student Self-Service, check **Student Profile** to see if you are eligible to register for classes. This site will notify you of factors that may prevent you from being eligible to register, such as enrollment status, academic standing and holds.

4. Accessing **Prepare for Registration** (under Registration) will allow you to view registration permits/overrides that have been granted to you.

5. You can plan your schedule in Self Service using **Plan Ahead** under the Registration menu. Plans created here will be available when you register for classes (on the Plans tab).

6. If you register in a class with variable credit hours, it will default to the lowest number of credit hours. Use the **Schedule and Options** tab of Registration to change credit hours in a variable credit class.
