### Registration and Enrollment

1. Find your expected enrollment/registration date for the upcoming semester in this enrollment guide.

2. Schedule a meeting with your academic advisor to plan your class schedule. You won’t be able to enroll until your advisor clears you for registration. Contact your advisor early, as advising appointments fill quickly.

3. From Student Self Service, check *Student Profile* to see if you are eligible to register for classes. This site will notify you of factors that may prevent you from being eligible to register, such as enrollment status, academic standing and holds.

4. Accessing *Prepare for Registration* (under Registration) will allow you to view registration permits/overrides that have been granted to you.

5. You can plan your schedule in Self Service using *Plan Ahead* under the Registration menu. Plans created here will be available when you register for classes (on the Plans tab).

6. If you register in a class with variable credit hours, it will default to the lowest number of credit hours. Use the *Schedule and Options* tab of Registration to change credit hours in a variable credit class. Visit [OSU Registration System](http://osu-registration-system) for detailed instructions.

7. Visit the [OSU Registration System](http://osu-registration-system) for details concerning Self-Service Registration.

8. [View My Class Schedule](http://view-my-class-schedule) provides instructions for reviewing your class schedule in various ways.

*Notice to first-semester students*: Credit earned by examination (such as AP or CLEP) will be recorded on a student’s OSU transcript with a neutral grade of “CBE-P” (Pass) if the student earns the equivalent of a “C” or better on the examination. No grade is recorded if the student fails the exam.

### Short Class Schedules
